

# **13th Annual Magnolia UIL Academic & Debate Tournament**

## **“Nerds In Love”**

### **February 12, 2022**

Magnolia High School will host a UIL academic meet on February 12th. UIL Invitational test B will be used for all events. We will run all academic and speech events except CX.

We have plenty of activities planned for this special Valentine's weekend and would love for you and your team to be part of the fun. However, we will have in place any special restrictions or guidelines regarding the Covid 19 virus. For the safety and health of all, please make sure that the members of your travel team follow the guidelines set in place by both UIL and Magnolia ISD.

Entries will be accepted online via email. Information can be found at our tournament website ( <https://elbgwithbeckyoungb.wixsite.com/magininvitational> ). Entry deadline for your participants is Wednesday, February 2nd. If you have problems doing the online entry you can email David Youngblood at [dyoungblood@magnoliaisd.org](mailto:dyoungblood@magnoliaisd.org)

The cost per event entry is \$12. There will be a flat fee of \$125 per school for schools with speech and debate contestants unless your school is providing a judge for the event. There is also a flat fee of \$70 per school for schools with Journalism and Ready Writing entries to cover the cost of judges.

We look forward to hosting your school and giving them the opportunity to compete in UIL Academics. If you have any questions, please contact David Youngblood at Magnolia High School.

Check-in for academic events starts on Saturday at 7 AM. First contest begins at 8 AM. The top 6 individuals in each event will receive awards. The top team in each team event will also receive awards. LD and computer science will also be held on Saturday..

**Payment should be made to Magnolia High School.**
